

KAIZZ LUNDGRENN BAUTISTA

IT FRESH GRADUATE

2139 Simon St Tondo Manila • +639760064161 • zziakbautista@gmail.com

SUMMARY

IT fresh graduate specializing in web and mobile development with hands-on experience building full-stack dashboards, disaster-response systems, and booking platforms using React, Node.js, MongoDB, and Supabase. Seeking an entry-level developer role to build scalable real-world applications.

PROJECTS & EXPERIENCE

FloodPath (Capstone Project) 2024-2025

- Contributed to the design and development of the FloodPath disaster-resilience app.
- Assisted with integrating the AR system for flood monitoring and analytics.

Power Allure (Intern Project) 2025-2026

- Built a model and talent booking platform with real-time booking and talent management.
- Developed an admin dashboard with secure session management and profile controls.

Billing Dashboard (Intern Project) 2026-Present

- Built a financial management system with interactive charts and billing center mapping.
 - Developed automated PDF and CSV report generation with real-time Supabase data.
-
